GPM will not be responsible for shipments not meeting export requirements

By signing below, I, _____ declare that these details are true and correct, that the consignment(s) have been packed in accordance and meet all export requirements including Australian Department of Agriculture and Water Resources' Fumigation Methodology and the current BMSB season measures per website.

www.agriculture.gov.au/import/before/pests/brown-marmorated-stink-bugs

It is the shipper/exporter, forwarder, brokers responsibility to ensure that each consignment meets all the specific requirements prior to dropping to avoid the container being placed on hold at destination and or GPM rejecting the shipment for fumigation. The undersigned agrees that that GPM, its owners, employees, agents, insurers, heirs, partners, successors, corporations, firms and all other persons associated with GPM cannot be held responsible for damages or injuries due to the services provided to the exporter/importer.
